Stunning Longshadow Ridge home in Lakemont. Renown Steven Burnstead luxury construction with views over Lake Sammamish and beyond...with vistas to Mt. Baker. Uniquely special, this home offers grand scale, spectacular proportions and a gigantic 15,124 sq ft level lot with a backyard rarely found in a view property in Lakemont! Enter into a double height foyer with new chandelier. The new Greige color theme, freshly refinished maple hardwoods and new carpeting makes the home warm and inviting. Formal in finishes, coffered ceilings, columns and crown moulding millwork highlights this home's timeless sophisticated craftsmanship. Great room like no other... soaring vaulted ceilings, massive walls of windows flood the main living space with bright natural light. Commanding territorial and lake views from many rooms in the house. Custom maple built-ins cabinetry and speakers throughout. Granite counters in the kitchen as well as SubZero and Viking appliances. Versatile floorplan with guest suite on the main, theater room and spectacular office with fireplace and a view to enjoy while working at home. Master suite with vaulted ceilings, sphere chandelier, and more views to enjoy as you wind down your day. Master bath with a custom glass block shower, large walk-in closet. You will also enjoy the backyard in spectacular fashion! Stamped concrete patio, firepit, hot tub, and a Sport Court for basketball, pickle ball, volleyball,... you name it!
