Contemporary home in Montreux, surrounded by the natural beauty of the Pacific NW! Custom built with attention to detail. Enter through the double height foyer into the spectacular great room, perfect for today's living. The main living area showcases a dramatic trio of intersecting vaulted ceilings and large windows framing the lush greenbelt. There is extensive millwork, rich solid cherry wood flooring and a custom entertainment center. Kitchen features a bar height counter, pendant lights, granite, marble, extensive millwork, cherry cabinets, and high end appliances. Dining area opens to two decks and covered BBQ area. Versatile floorplan with main level master suite. Master bath with double vanity, ceramic tile, large walk in closet, makeup area and a private sitting area and office. The main level steps out to a custom Ipe wood deck with sweeping radius outline that needs to be seen to be appreciated. This deck is huge... entertain in style or relax to the sounds of a babbling brook with complete privacy of the greenbelt. Cascading stairs lead you to a stone fire-pit seating area. This 2 story plus basement home has a brand new Presidential TL roof and is newly carpeted as well. This is a must see... call Doris today!
